MAURIZIO MARTINA

IS PLEASSED TO INVITE YOU TO THE EVENT

WORLD GENERAL ASSEMBLY OF GEOGRAPHICAL INDICATIONS

The World Assembly of Geographical Indications has the purpose to relaunch the public debate on the GIs and their role in the agri-food system. Institutions, Organizations, Research Institutes, representatives of the producers and other stakeholders are invited to give their contribution on the main topics concerning the GIs System, with the aim to analyze criticalities of the GIs model and the potentials to promote its development.
